NOTIFICATION OF CHANGE OF SMALL ENTITY STATUS

The above-identified patent application (“the Application”) was properly filed as a small entity under 37 C.F.R. 1.27. The Application was initially entitled to small entity status since the assignee, Bon K. Sy, was a person under 37 C.F.R. 1.27(a)(1). On May 20, 2009, ownership for this patent application was transferred to Resource Consortium Limited, which does not qualify for Small Entity status under 37 C.F.R. 1.27.

Accordingly, Applicant respectfully requests that the above-identified application be changed to large entity status.

Respectfully submitted,
